

BOXHORN

Let's build a business relationship from one business to the next.

Boxhorn Gun Club has well over 1000 customers come through its doors each week. We are reaching out to local businesses for a chance to advertise with us. Whether you are a restaurant, auto shop, flower shop or any local Muskego or surrounding community business it's nice to get your name out.

A \$250 1 year sponsorship includes a 2ft x 2ft sign that will be displayed on our beautiful shooting course and social media shout outs.

Other opportunities to advertise through Boxhorn would be to help sponsor a shooting event with prizes. Maybe a coupon for your company or gift certificate or even physical prize from your company will get the word out. We have many shoots throughout the year.
