

BOXHORN

November 22, 2020

We want to protect our Staff and Guests at all costs. With our limited number of Employee's any outbreak from within the club would be disastrous to our business plan.

We do not want to see anyone get sick simply because they choose to come out and enjoy one of their favorite pastimes.

So we need to take every precaution possible to try and stop that from happening. We hope our choice to require masks inside the club, and offering free hand sanitizer will help keep Boxhorn a clean and safe environment during this time.

We will continue to give our Guests the option of signing up through the window and being outside, or coming inside and signing up at the counter. We will also continue to offer free face coverings for those who do not bring one with them.

We apologize for any inconvenience this has or will cause in the future,

We are sorry for any inconvenience this causes, but we all must work together to help slow the spread of this virus. Boxhorn is taking everyone's health very seriously. We have taken steps to sanitize and clean our clubhouse ever hour. We ask that is you are feeling sick to stay home and rest.

Thanks for your understanding, and continued patronage in these uncertain times. We hope together we can all see this Club be around for another 90 years.

Matt Dallmann & Adam Vanderheyden
